they qualify as qualifying investors (in aanmerking komende beleggers/investisseurs éligibles) within the meaning of Article 5, of 3/1 of the Belgian Act of 3 August 2012 on institutions for collective investment that satisfy the criteria of directive 2009/65/EG and on institutions for investment in receivables (Wat betreffende de instellingen voor collectieve belegging die voldoen aan de criteria van richtlijn 2009/65/EG en de instellingen voor belegging in schuldvorderingen / Loi relative aux organismes de placement collectif qui répondent aux conditions de la Directive 2009/65/CE et aux organismes de placement en créances), as amended from time to time (the UCITS Act) (Qualifying Investors);

(b)

they do not constitute investors that, in accordance with annex A, (I), second indent, of the Royal Decree of 3 June 2007 concerning further rules for implementation of the directive on markets in financial instruments (MIFID), have registered to be treated as non-professional investors; and

(c)

(ii) in respect of the Class B Notes and the Class C Notes, they certify to the Issuer that they qualify for an exemption from Belgian withholding tax on interest payments under the Class B Notes and the Class C Notes and that they shall comply with any procedural formalities necessary for the Issuer to obtain the authorisation to make a payment to which that holder it entitles without a tax reduction

For each Note in respect of which the Issuer becomes aware that it is held by an investor other than a Qualifying Investor, the Issuer will suspend interest payments until such Note will have been transferred to and held by a Qualifying Investor.
