### Description and historical evolution of the Underlying Value

Dexia Equities L Euro 50 is a compartment of Dexia Equities L, a UCITS incorporated under the laws of Luxembourg. The assets of this compartment consist mainly of a portfolio of variable-yield securities, mainly shares, convertible bonds and warrants issued for the most part by European companies and traded on the stock exchanges of those countries. At least two thirds of the net assets of the portfolio of this compartment are invested in equity-type transferable securities included in the Dow Jones EURO STOXX 50<sup>®</sup> index, although they are not themselves indexed. Two-thirds of the net assets will always be invested in euro-denominated securities on these markets.

The compartment may also hold, on an ancillary basis, cash or money market instruments whose residual maturity does not exceed 12 months.
