

MiFID II PRODUCT GOVERNANCE – Solely for the purposes of the product approval process of each Manufacturer (i.e., each person deemed a manufacturer for purposes of the EU Delegated Directive 2017/593, as amended, hereinafter referred to as a “Manufacturer”), the target market assessment in respect of the Notes as of the date hereof has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients each as defined in Directive 2014/65/EU (as amended, “MiFID II”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate – investment advice, portfolio management, non-advised sales and pure execution services – subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a “Distributor”) should take into consideration each Manufacturer’s target market assessment. A distributor subject to MiFID II is, however, responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining each Manufacturer’s target market assessment) and determining appropriate distribution channels.
