

MiFID II PRODUCT GOVERNANCE – Solely for the purposes of the product approval process of each Manufacturer (i.e., each person deemed a manufacturer for purposes of the EU Delegated Directive 2017/593, as amended, hereinafter referred to as a “Manufacturer”), the target market assessment in respect of the Notes as of the date hereof has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, “MiFID II”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate – investment advice, portfolio management, non-advised sales and pure execution services – subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration each Manufacturer’s target market assessment. A distributor subject to MiFID II is, however, responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining each Manufacturer’s target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold, distributed or otherwise made available to, and should not be offered, sold, distributed or otherwise made available to, any retail investor in the United Kingdom (“UK”). For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “EUWA”) or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (“DISC”) for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

PART B – OTHER INFORMATION

REASONS FOR THE OFFER

Reasons for the offer:

The net proceeds of Notes, i.e. the Nominal Amount less any expenses and fees, will be used for general corporate purposes of Belfius.

CONDITIONS OF THE OFFER

Conditions to which the offer of the Notes is subject:

The offer of the Notes will only be completed if the Notes are issued. If the Notes are not issued, investors' subscription orders will be cancelled and any subscription monies, if already paid, will be returned.

The Issuer reserves the right for any reason to early terminate the Offer Period and/or cancel the issuance of the Notes. In particular, the offer of the Notes may be cancelled if the Minimum Amount is not placed and/or if market conditions are likely, in the opinion of the Issuer, to prejudice the success of the offering and distribution of the Notes, or for any other reason as decided by the Issuer.

The offer of the Notes is only addressed to, and is only available for, investors falling within one or more of the following eligible categories:

- (a) business clients: any client which has an enterprise number; and
- (b) investors who pay the subscription amount for the Notes using (a) cash account(s) held in their name with Belfius Bank or any entity belonging to the Belfius Bank group, provided that all of the funds used to pay the subscription amount:
 - have first been transferred from any external cash account(s) held by such investor with one or more credit institutions established in an EEA Member State other than Belfius Bank or any entity belonging to the Belfius Bank group; and/or
 - have first been transferred from any e-Depo cash account(s) held by such investor with the Belgian Deposit and Consignment Office (*Deposito- en Consignatiekas* (DCK) / *Caisse des Dépôts et Consignations* (CDC)); and/or
 - originate from the redemption or repayment amount linked to any state bond issued by the Kingdom of Belgium (it being noted that such redemption or repayment may in practice be carried out by the Belgian Debt Agency or another public entity) and for which the securities are held in (an) account(s) other than with Belfius Bank or any entity belonging to the Belfius Bank group.

In addition, the subscription to the Notes may only be completed if the transfer of the external funds has been credited to the investor's cash account(s) with Belfius Bank or any entity belonging to the Belfius Bank group during the period from (and including) 1 August 2026 up to (and including) the Issue Date.

For the avoidance of doubt, to be eligible an investor must satisfy both eligibility criteria set out in paragraphs (a) and (b) above. These eligibility criteria are cumulative, and any subscription by an investor who does not meet both of these eligibility criteria may be rejected by the Issuer.

For the avoidance of doubt, the above categories are defined for the purpose of the offer of the Notes only and do not correspond to any client categorisation under MiFID II.
