Description of the Underlying Value

The Underlying Value is a Class C share of the compartment Candriam Equities L EUROPE within Candriam Equities L, a UCITS duly registered under the laws of Luxembourg under the Commercial and Companies Register number B47449, with multiple segments, incorporated for an indefinite duration. Class C is offered both to legal entities and natural persons and capitalizes its profits.

The assets of this compartment consist mainly of a portfolio of variable-yield securities, mainly shares or investment certificates and distributed as follows: (i) at least 75% of these securities are issued by companies having their registered seat within those of the member states of the European Economic Area which have concluded with France a bilateral tax treaty containing a provision for administrative assistance aiming at acting against fraud and anti-tax avoidance, and admitted to trading on a stock exchange or a regulated market, and (ii) up to 25% of these securities are issued by companies having their registered seat in, or operating predominantly in, Europe, and admitted to trading on a stock exchange or a regulated market.

The compartment may also hold, on an ancillary basis, shares and assimilated financial instruments (e.g. convertible bonds, warrants, investment certificates), cash or money market instruments whose residual maturity does not exceed 12 months. The compartment may not invest more than 10% of its assets in funds. For the limited purpose of good management of the portfolio, it is allowed to use techniques and financial instruments such as, among others, options, futures, swaps and forward.
